

STRATOS

STRATOS

Stratos nasce come arredo operativo ma la sua versatilità lo rende ideale anche per gli ambienti semi direzionali e per le sale riunioni. Le strutture scrivania sono proposte con diverse opzioni, sintesi di gusto e di stile. I contenitori e le cassettiere, modulano la componibilità e la possibilità di diversificare il progetto di arredo: semplice e funzionale per i flussi di lavoro operativi o sofisticato ed elegante per le zone maggiormente rappresentative. La proposta, ampia, di finiture contribuisce a creare soggettività e personalità per un risultato estetico sempre iconico.

Stratos was designed as operational furniture, but its versatility makes it suitable for semi-executive environments and conference rooms too. The desk structures are presented with several options, creating a perfect blend of good taste and style. The storage and drawer units provide modularity and the possibility to customise the furniture design: simple and functional for operational work flows or sophisticated and elegant for representative areas. The variety of finishes contributes to the subjectivity and personality of the space, creating a distinctive visual impact that is always iconic.

FORME ESSENZIALI E TANTO SPAZIO

ESSENTIAL FORMS
AND LOTS OF SPACE

Semplice ed elegante, fortemente caratterizzata da linee pulite.
Una scrivania sempre attuale, fortemente pragmatica per la sua capacità di contenere.
Una presenza funzionale e di gusto.

*Simple and elegant, strongly characterised by a clean design.
An evergreen desk, highly pragmatic in its storage capacity.
A functional and tasteful presence.*

Materiali e finiture rappresentano l’elemento creativo dell’arredo. Ma Stratos è ancora di più: una proposta ampia, modulare, facilmente componibile per ogni tipo di layout, dalla semplice postazione ai flussi operativi, alle zone meeting.

Materials and finishes are the creative elements of a furniture system. But Stratos is even more: a wide-ranging, modular proposal, easily adapted to any type of layout from simple workstations to more complex work flows and conference areas.
